Anything wrong with this boat?

AI Development - Wave I

- Wave I is known as Good Old-Fashioned AI (GOFAI)
- It is still being used today.
- Video [demo](#)

AI Development - Wave II

- Wave II is known as *Connectionism*
- It is what Deep Learning is today.
- Video [demo](#)

AI Development - Wave III

- Wave III is known as *AGI*
- The video is not representative of AGI. It's an illustration of what Waves I & II can do in robotics if we know all dynamics of the anthropoid.
- Video [that shows what is not AGI](#)
